The CollegeCounts 529 Fund is a qualified tuition program under Section 529 of the Internal Revenue Code that is offered by the State of Alabama, administered by the Board of Trustees of the ACES Trust Fund (the "Trust" and plan issuer), marketed as the CollegeCounts 529 Fund, and Union Bank & Trust Company serves as Program Manager. Accounts and investments under the CollegeCounts 529 Fund are not insured or guaranteed by the FDIC, the State of Alabama, the State of Alabama Treasurer, the Board, the Trust, the Program, Union Bank & Trust Company, or any other entity. Investment returns are not guaranteed, and you could lose money by investing in the Plan.

An investor should consider the investment objectives, risks, and charges and expenses associated with municipal fund securities before investing. This and other important information is contained in the fund prospectuses and the CollegeCounts 529 Fund Program Disclosure Statement (issuer's official statement), which can be obtained by calling 866.529.2228 and at CollegeCounts529.com and should be read carefully before investing. You can lose money by investing in a portfolio. Each of the portfolios involves investment risks, which are described in the Program Disclosure Statement.

An investor should consider, before investing, whether the investor's or designated beneficiary's home state offers any state tax or other benefits that are only available for investments in such state's 529 plan. Investors should consult a tax advisor.

¹The amount contributed by an Alabama taxpayer during a tax year is deductible from Alabama income in an amount not to exceed \$5,000 for a single return or \$10,000 for a joint return for that tax year. If you also contribute to another Alabama 529 account, your maximum total deduction on all contributions is still \$5,000 per year (\$10,000 for married couples filing jointly). The amount of any deduction previously taken for Alabama income tax purposes is subject to recapture in the event an Account Owner takes a Nonqualified Withdrawal from an Account or if such assets are rolled over to a non-Alabama 529 plan. Please consult with your tax professional.
